

# Insufficient

Demonstrates:  
Insufficient Evidence of Learning (I)

You either did not hand in the work or did not provide enough evidence of learning for assessment to take place.

# Emerging

Demonstrates:

Insufficient understanding, limited knowledge

You are struggling with this skill/knowledge. Step by step help is needed to help continue to learn and build confidence.

# Developing

Demonstrates:  
Basic understanding, partial knowledge

You are getting there, but you still need practice in this skill/knowledge. I can do it but still need some help.

# Proficient

Demonstrates:  
full understanding, thorough knowledge

You can consistently demonstrate the skill/knowledge. The quality of your work shows that you can do it all mostly on your own.

# Extending

Demonstrates:

Sophisticated understanding, enhanced knowledge

You have mastered this skill. You can connect this skill/knowledge to other areas of your life or learning. You could teach others this skill.
